

Ode to Wee Gems
from
Daniel Murray Evans 2011

Rebecca, Fiona, and Pamela too,
Donna and Jenny to name but a few,
Thank you for helping me learn to walk
To form some words and learn to talk,

Giving me the best of care,
Encouraging play and making me share,
Always there with kisses and hugs
Checking my hair for glue, sand and bugs,

Leanne, Fran, 'big' Lucy, I've known you so long,
It's hard to imagine my play time has gone,
Morning routine will not be the same,
I won't respond when you call out my name.

"DANIEL" Where is he? I don't understand!
He's not in the playhouse or out in the sand,
He's not in the corner, or out on the grass,
He's not in the toilet or playing with brass!

I've gone to a place where I'll learn so much more,
A place you helped get me too, with excitement in store.

On the last day of August about 8 o'clock
Just think of me in my little blue socks,
I'll really be set, and look really cool,
Because you all prepared me for my first day at school.

Lots of Love

Daniel
